

Not Working?

Our month-long, award-winning Computerized Accounting Course offers instruction in Accounting Theory, QuickBooks (Desktop), Microsoft Word and Excel.

This hands-on course may be available at no cost to you* if you have been laid off or are not working.

Classes start every other month

We work with laid off workers, unemployed adults and others looking for employment. This is an exceptional opportunity to learn the basics of Accounting, Quickbooks Pro, Word, Excel, in a fast-paced format and in surroundings that are professional, but casual.

Every company in every industry has an accounting department, so there is always demand.

We'll help you transition into a new career with a "Certificate in Computerized Accounting."

All Students must have a High School Diploma, GED, or High School Transcripts**

Students set up a computerized bookkeeping system using QuickBooks Pro. Those who have worked in accounting, but have no formal education in it, will find this class bridges the gap between performing accounting functions by rote (memorizing steps your employer tells you to do) and truly understanding the theory behind each

function. We also cover basic Word and Excel (two days each), as employment agencies test on these applications. The accounting and computer professionals who teach our class are both friendly and patient, with practical experience to share. Our course offers personalized instruction in the following areas and applications:

general ledger
chart of accounts
closing a month
bank reconciliation
resume preparation

accounts payable
accounts receivable
inventory
order entry
interview techniques

professional time & invoicing
payroll tax returns
sales tax returns
QuickBooks Pro

job costing
payroll
MS Word
MS Excel
MS Windows

Grading - Pass or Fail based on completion of practice sets (matching master solutions) in General Ledger, Accounts Payable, Accounts Receivable, Inventory, Order Entry and Payroll. Supervision needs will be assessed based on test results as follows - under 50% - heavy supervision, 50 - 75% - moderate supervision, 76 - 90% - little supervision, 91 - 100% - little to no supervision. If your academic progress is unsatisfactory, we will keep you notified during class, so that you have time to improve or to re-evaluate your goals. Your file is kept for seven years from the date of completion of the class. English as a second language is not taught.

Conduct and dress code: The objective of this class is to find a job, so professionalism is stressed in both conduct and dress. How you present yourself in class will give us an idea about your work habits and attitudes. We consider these factors in placement recommendations.

Minimum age - 18 years old and minimum education required - high school level skills or testing equivalent..

Student complaints or compliments can be made orally or in writing to The Accounting Annex. Other venues to voice concerns or compliments can be addressed to the agency which referred you to us. The Dept. of Consumer Affairs will take complaints if you cannot get a resolution through the preceding.
